I. The District Fund audited accounts for April and May 1907.

Resolution.—Read and passed.

II. The District Fund Administration Report for the year 1906-07 together with its appendices.

Resolution.—Read and passed.

III. The following subjects which were brought by the members of the Dasara Representative Assembly for the year 1907 at the preliminary meeting on the 27th ultimo at Tumkur were read and the resolutions of the Board are noted against each :—

SUBJECT.

1. *D. R A. Member Mr. Seenappa, Tumkur Taluk.*—The road from Tumkur to Uradagere has been extended to Kolal (six miles beyond Uradagere) through the exertion of the Taluk Amildar. It is prayed that the few tunnels required may be constructed by Government and the road extended as far as Hulikunte where a weekly sante is held.

Resolved that this subject be referred to the Taluk Board for opinion. The country is hilly and there are very few streams worth the name.

2. It is requested that Kolal village may be formed into a Union as it has more than 300 houses.

Resolved that an enquiry be made why the said village was not included in the list of villages proposed by the Amildar to be formed as Unions.

3. (a) *Mr. Huchveeregowda of Kadaba, Gubbi Taluk.*—Repairs to Sira-Gubbi road between Kodiyala and Gubbi.

(b) *Messrs. Kaggirappa and Madar Sab.*—A road from the village limits of Kodiyala situated on the Sira-Nelligere road to the Gubbi Railway Station.

Resolved that the road is unnecessary and to undertake it would be a culpable waste of money. The present cart-track in its present condition ought to be sufficient to those who wish to save the extra length of some 2½ miles of the *Pukka* road *via* Nittur. And further Nittur Railway Station is nearer to Kodiyala than Gubbi.

4. *Mr. Hutchveeregowda of Kadaba, Gubbi Taluk.*—Opening roads in Unions.

Resolution.—Provision for this purpose is being made in the Annual District Fund Budgets as funds become available for the purpose. The Unions would have to be taken up in the order of their importance.

5. *Mr. Hutchveeregowda of Kadaba, Gubbi Taluk.*—Construction of a road from Kadaba to Chitnahalli *via* Kallur where a weekly fair is held.

The proposal does not commend itself to the Board. From the main road there is already a cart-track to Kallur and that ought to be sufficient and it is only about three miles from Kallur to Chitnahalli. There are many villages in every taluk of equal importance with Chitnahalli and Kallur. The Taluk Board will however be asked if there are any special circumstances to recommend the proposal for reconsideration.

6. *Mr. Hutchveeregowda of Kadaba, Gubbi Taluk.*—A road from Hosakere on the Chelur-Hagalvadi road to Nittur Railway Station *via* Alalghatta and Muganaiknahalli.

Resolution.—The pukka road is some 15 miles. The proposed short cut would save some four miles. The Board are not inclined to view such proposals favorably.

7. *Messrs. Kaggerappa and Madar Sabi.*—A road to Chitnahalli from the second mile stone of the Gubbi-Hebbur road.

Resolution.—A road of doubtful utility but the proposal will be referred to the Taluk Board for opinion

General Resolution.—The Board are pressed for funds in so many directions that it is with difficulty that they are able to provide for the efficient maintenance of existing roads. If small cart-tracks of small importance are to be developed into roads just to save a few miles here and there. The Board would have to give up other works of immeasureably greater usefulness to the people. The more important cart-tracks would of course receive attention throughout the district.

IV. Read and sanctioned the accompanying list of estimates for the District Fund works noted therein.

V. Sira Amildar's report No. 135, dated 21st September 1907, received with Maddagiri Sub-Divisional Officer's yadi No. 369, dated 23rd September 1907, proposing reappropriation of the amount of Rs. 1,858 allotted to the Sira Taluk under B.
